In re Application of:	:	
AUSSCHNITT et al.	:	PETITION FOR TO CONSIDER IDS
Serial No.: 10/035,061	:	UNDER 37 CFR § 1.182
Filed: December 28, 2001	:	
Attorney Docket No.: FIS9-2001-0254 US1	:	

This is a decision on the petition filed October 12, 2004 to correct inventorship under 37 CFR 1.182.

The petition is granted.

While the form PTO-1449 included with the information disclosure statement (IDS) filed December 28, 2001 did not include a complete identification of the references as per 37 CFR 1.98 (b) (5), specifically, the date of publication was missing for the non-patent literature, it did include a copy of the references, as per 37 CFR 1.98 (a), which themselves cited the proper identification information in its entirety. Thus, the examiner could have considered the references.

The references of included on the IDS have been considered by the examiner and a copy of the initialed form PTO-1449 has been mailed to the address of record.
